

La Jolla Garden Club Membership

Dear Applicant for Membership,

The La Jolla Garden Club's (LJGC) purpose is to help keep La Jolla beautiful; protect native plants and wildlife; stimulate interest in good gardening, landscaping, and flower arranging; and promote garden club activities and civic projects. The club meets monthly on the third Tuesday from September through April at the La Jolla Woman's Club, 7791 Draper Ave., La Jolla, CA, at 1:00 PM. The meeting includes guest speakers, club business, and plenty of time to chat with old friends and meet new friends during our mingle tea. We also have a Scholarship Luncheon in May.

The LJGC provides horticulture scholarships, places a weekly floral display at the La Jolla Riford Library, maintains a patio garden at the La Jolla Historical Society's Wisteria Cottage, participates in reforestation of Cleveland National Forest, and organizes field trips to special garden events and tours. Also, LJGC has membership in the National Garden Club, Inc., California Garden Clubs, Inc. and Palomar District of California Garden Clubs, Inc.

If you would like to join LJGC, an all-volunteer organization of those who enjoy gardens, floral design, and friendship, please complete the form below. You may visit our website for more information at: www.LaJollaGardenClub.org and send questions to lajollagardenclub@gmail.com
